*to be added to mailing list*

Sibshops is a nationally acclaimed program that provides peer support within a recreational environment. It's designed to celebrate the many contributions made by brothers and sisters of kids with special

needs! Each workshop encourages kids to participate in site based activities that encourage sharing, laughter and fun!

Kids will have a chance to meet other kids

whose brothers and sisters have special needs and talk about the good and not-so-good parts of having a sibling with a disability or medical condition.

**Special Kids  
Special Families**
