Host Home Providers Needed

Our Mission: To promote, strengthen & support individuals with disabilities, their families & caregivers

Special Kids Special Families is seeking a host home for an older married couple, both with down syndrome. They currently live in their own home, but their needs have increased and require full time support.

Couple does most self-care tasks independently, however, need more prompts and oversight (i.e., choosing proper clothing, shaving, bathing, medication, & meal preparation). Assistance is needed to maintain their daily routines.

REQUIREMENTS

- QMAP & CPR training (or willing to get certified for both)
- Host Home Provider individual (must be woman to provide bathing care to wife) or couple
- Host home must have a bedroom and bath with a tub on the 1st floor as they are not able to go up and down stairs
- The couple would live in the host home full-time

We are seeking caring compassionate individuals that want to help others in need and can provide a stable home environment with great patience. A Host Home Provider will be a friend, mentor, caregiver, and advocate. With this in mind, we are looking for someone who is not seeking merely a paycheck, but rather looking to support and enhance the lives of those we serve.

APPLICATION PROCESS

HHPs are Independent Contractors. After completing an application, providing references and background check, a home inspection is completed to ensure compliance with our regulations.
