## Zach's Place Center

Founded in 1998, Special Kids Special Families' Zach's Place Center is one of only two licensed child care centers in the state of Colorado that specialize in caring for children with emotional, developmental, and physical disabilities. Our program caters to lower income single parent families that need trained staff to care for their children so that they can seek respite care, go to work, school or just spend time shopping or resting. Caring for a child with a disability is a 24/7 job & families need respite time to refresh, regroup and rejuvenate. At Zach's Place, we give them that time.

## MAXIMIZE YOUR DONATION!

Did you know that a donation to Zach's Place of \$250 - \$100,000 qualifies you (individual or business) for a 50% tax credit! By donating to Zach's Place center (a qualified childcare program) you can leverage your investment PLUS support families that need valuable respite care for their children. Consult your tax consultant for details.

*Our organization will provide donors with Form DR 1317, certifying the child care contribution.*
